5. e-Nautics service options

The **e-Nautics** service provides the following options:

Notice of arrival of yachts or boats in the territorial sea of the Republic of Croatia

- If you arrive with a foreign yacht or boat in the territorial sea of the Republic of Croatia, you can submit an electronic notice of arrival.
- Information for the payment of the safety of navigation fee will be provided upon notifying the arrival of a yacht or a boat.
- Upon payment of the fee, you will receive an electronic confirmation of payment.

Business rules:

1. A notice of arrival of a vessel in the territorial sea of the Republic of Croatia may be submitted by any natural person (not necessarily the owner).
2. A notice of arrival is submitted once for the current year.
3. In case of arrival of a foreign yacht or boat, the first arrival notice must be submitted personally in the harbormaster's office / branch office in order to check the vessel's data and enter them in the e-Nautics Information System. Arrival notices for each subsequent year can be made electronically.
4. Payment of the safety of navigation fee upon notifying the arrival must be made within 7 working days from the day of the submission of the electronic notice. The notice will otherwise be automatically canceled.

5.1 Yacht or boat arrival notification

The Renewed Notice of Arrival tab enables you to search for a yacht or a boat for which you want to file a notice of arrival in the territorial sea of the Republic of Croatia. You will be able to find a desired yacht or a boat if this is not the first year to file a notice of arrival in the territorial sea of the Republic of Croatia.

Important: If this is your first arrival in the Croatian territorial waters, you must file the first notice of arrival with the competent harbourmaster's office or its branch office, in order for your vessel to be entered in the register of foreign vessels and to ensure the accuracy of data. You will be able to submit a renewed arrival notice for each subsequent year via the **e-Nautics** portal.
